25mph winds with gusts to 45mph made for a challenging day on Foremark Reservoir for the Spring Cup 4 Man Team event. The wind dictated safe fishing over technique and with this in mind most anglers headed for the safety and shelter of Flamingo Bay, Bramble Bay and the dam wall. Foremark Team 2 ran out impressive winners with a 21 fish bag of 61lb 1oz which included best fish of 10lb 5oz for Alan Dawes and a fish of 7lb 8oz for Alan Topping.

Errwood Team 1 narrowly beat their sister team, Errwood Team 2, for 2nd place with their good friends at Carsington finishing 4th and 6th.

The fishing, mainly due to the weather, was very hard with no teams bringing home their 24 fish limit and 8 blanks being recorded on the day. Special thanks to Rob Wheeldon of Foremark Fly Fishers for organising the event.
